Time: 45 Minute

50 marks

Question 1: Design a Power Point presentation as shown below.

SLIDE: 1

SLIDE 1 EFFECT

Entrance effect -check board
Sound-Arrow (loop until next sound)
Hyperlink to next slide
Entrance -box

Slide transition

-check board across
Automatically after

Design template

-Fading Grid

All effects automatically

SLIDE: 2

SLIDE 2 EFFECT

Entrance effect -Wheel
Sound-Bomb (loop until next sound)

Bullet list-

Change motion path-equal triangle

Slide transition

-check board across

Automatically after

Design template-

Fading Grid

All effects automatically

SLIDE: 3

SLIDE 3 EFFECT

Entrance effect -Fly in
Direction-from bottom
Sound-Breeze (loop until next sound)
Emphasis effect-Grow /Shrink

Slide transition

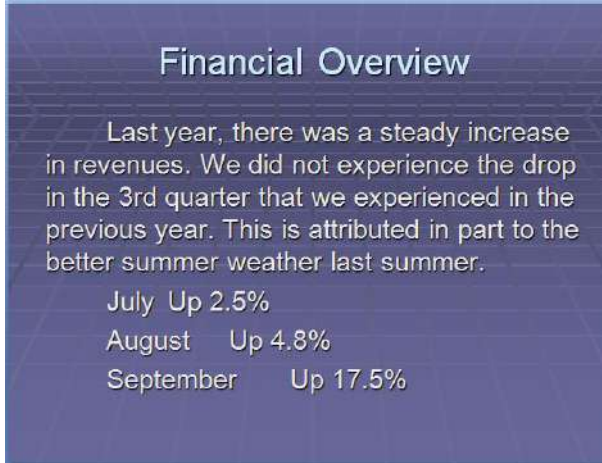

-check board across
Automatically after

Design template

- Fading Grid

All effects automatically

SLIDE:4

Financial Overview

Last year, there was a steady increase in revenues. We did not experience the drop in the 3rd quarter that we experienced in the previous year. This is attributed in part to the better summer weather last summer.

July Up 2.5%
August Up 4.8%
September Up 17.5%

SLIDE 4 EFFECT

Exit effect -Random effect
Sound-Camera (loop until next sound)

Paragraph-

Entrance effect-Wedge
Motion Path- Arc down

Slide transition

-check board across
Automatically after

Design template - Fading Grid

All effects automatically

SLIDE:5
